ARTIST'S RESPONSIBILITY

All submitted entries will receive careful handling. However, neither the MPSGS nor Strathmore can assume responsibility for loss or damage to the work submitted to this exhibit. This form is an agreement on the part of the artist to all conditions set forth in this prospectus. The exhibit catalog and display labels are prepared directly from data on the entry forms. The Society takes no responsibility for consequences from missing or erroneous data on the entry form. The MPSGS reserves the right to photograph any entry for media and catalog presentation.

JURY PROCESS AND SPIRIT OF A MINIATURE

All submitted works are juried by a panel of MPSGS members. They review the works for quality of art, and assure framing is neat. A work in which the image is life-size is not considered miniature art. A work of fine art in miniature is a particularly personal object that draws the viewer into an intimate, concentrated world. See more info at mpsgs.org, About Us page.

The Miniature Artists of America (MAA), miniatureartistsofamerica.org, counts acceptance into an MPSGS exhibit as one consideration in their juried process to become an MAA member.

PRICES/SALES

The minimum asking price must be \$100. Prices must be set in \$5 increments. The average asking price for the last exhibit was \$385. A commission of 40% will be charged on all sales. All works must be for sale, and all sales are final. Do not submit an over-priced work because you do not want to sell it.

ACCEPTANCE NOTIFICATION

A list of the accepted works will be posted at mpsgs.org by the end of September.

AWARDS

Our awards total about \$8,000. See more info at mpsgs.org, Exhibition page.

SUBMITTING ARTWORK

Mail or deliver your artwork to your Receiver; see the following list of Receivers. Send your works to the Receiver of the first letter of your last name. You can also contact a Receiver near you to arrange hand delivery. In the box, include:

- (1) artworks with tags on the back,
- (2) copy of the printed artwork tags (full sheet, not cut up), and
- (3) a self-addressed label to ensure your artworks are returned to the correct address.

OPTIONAL: If we are returning your artworks to an address outside the U.S. and you want a note for Customs on the outside of your box, please include a label with these words in your box: "This parcel contains original artwork being returned to artist owner after exhibition." Your Receiver will affix this label to the outside of your box to expedite the Customs process. Do not include the label if you do not want this info on the outside of your box.

SUBMITTING ENTRY FORM AND FEE

See the electronic Entry Form Procedure below. The Entry Form includes info on how to pay the entry fees and dues (if an MPSGS member).

Entry Fee

- * MPSGS members - \$35
- * Non-members who hand-deliver and pick-up works - \$40
- * Non-members who mail works, or hand-deliver and have works mailed back - \$55
- * Additional fee for international entrants - \$15 (if we are returning your artworks outside the US)

If you are a current MPSGS member, pay the \$30 dues on an entry form.

We insure each returned artwork for a maximum of \$200. If you want to pay for additional insurance on your returned artwork, please note the amount to be paid at the postal desk in the block on the Entry Form. If you select the option to pay the entry fee by PayPal, after you submit the form, the next page will provide a link to PayPal. If you are paying by check, please make it out to "MPSGS of Washington DC" and send to: MPSGS Treasurer, PO Box 281, Simpsonville, MD 21150-0281. You do not need to include the entry form when mailing your check.

RETURN OF ARTWORK AND SOLD WORKS

All submissions, whether accepted or not, will be retained until after the closing of the exhibit. Unsold artworks that were mailed will be returned by your Receiver within a reasonable time. Artists who handcarried work to their Receiver should contact the Receiver to arrange a time to pick up work after the show closes. Payment for sold artworks will be sent to the artist within a reasonable time after the show closes, separate from returned artworks. Artists can check the status of sold works on our website mpsgs.org, throughout the exhibit. The Society reserves the right to dispose of uncollected work.

ARTWORK REQUIREMENTS

1. Maximum Number of Artworks: Up to three works may be submitted, and the entry fee covers up to three works. All works must be for sale.
2. Acceptable Artwork: Original works in any traditional media, prints from original plates, or sculptures will be considered for exhibition, providing they have not been exhibited in a previous MPSGS show. Copies of Old Master artworks or other artists' works will not be accepted. As a general guideline, the work should embody the spirit of a miniature. A work in which the image is life-size is not considered miniature art. The frame or mounting should be in the same spirit.
3. Unacceptable Artwork: Crafts and artworks produced by photographic, giclee, laser, or digital techniques will **not** be accepted.
4. Size: The overall area of the image, excluding mat and frame, must not exceed **25** square inches (156 sq cm, i.e., 5x5", 4x6"). The outside dimension of the frame must not exceed **56** square inches (360 sq cm, i.e., 7x8").
5. Framing: Framed work must be neat and ready to hang with a hanging mechanism. Small rings or screw eyes with fine wire are preferred as the works are hung on small nails in display cases. Velcro patches (rough hook side) should be affixed on the back-bottom corners; this helps the art to "stick" to the fabric in our cases and hang straight. Frames should be in proportion to the work. The backs of framed works should be neatly covered; paper backing is preferred. Do not cover the artwork tag with tape as we need to write on it. Frame width cannot be wider than 1-1/4". Frame depth including artwork cannot be deeper than 1-1/4". Metal frames, delicate in nature, are acceptable.
Unacceptable frames: Plastic, easel back, frames wider than 1-1/4" or deeper than 1-1/4".
6. Sculptures: Sculptures must not exceed **6** inches (**15** cm) in any dimension including the base. The work should stand on its own if not mounted on a base. Sculpture must be "in the spirit of a miniature" as determined by the jury.
7. Edition No.: For numbered prints or cast sculptures, indicate edition # in parentheses after artwork title on entry form.
8. No Special Artwork Boxes: Please do not send a special artwork box for the buyer. If you want a buyer to receive your artwork with a special box, send it to the buyer directly after you receive their contact info at the conclusion of the exhibit.

RECEIVERS OF ARTWORK

Send your works to the Receiver of the first letter of your last name.
Or contact a Receiver nearer to you to arrange hand delivery.
Please call rather than text as some phone nos. are land lines.
